Business and Personal Coaching

**Linda Landon, ACC**, is a certified business and personal coach, speaker and trainer, who helps professionals connect with their spiritual source so they can be authentic, intentional, powerful, successful, and happy.

Linda has more than 20 years experience in marketing, sales, business consulting and coaching, and is the president of Linda Landon & Associates, a Los Angeles-based coaching and training company.

Linda listens deeply, asks questions, and guides her clients to look within so they can access their spirituality and unlock their potential. They learn to identify what's not working, determine what's REALLY going on and uncover limiting agreements, beliefs, and thoughts. Then she supports clients as they shift these thinking patterns and take powerful, focused action to improve their lives.

A Toltec teacher, Linda integrates principles from *New York Times* bestseller, *The Four Agreements* with her innovative process, DreamShifting, into her coaching, speaking, and trainings. She offers several classes, including the popular "The Four Agreements at Work," which teaches people to unleash their creativity, build business relationships, and work easier and produce more.

"Linda has taught me how to focus on what's essential, work fewer hours, make more money, and be happy!"
